

JOSEPH AOGA

WEB DEVELOPER & COMMUNITY DEVELOPMENT WORKER

I am a frontend web developer, graphic designer, blogger and community development worker with 5+ years' experience in HTML, CSS and JavaScript. I'm proficient in responsive design and seamless UI/UX. I utilize my digital skills in contributing to the greater good of the society. I am dedicated to leveraging technology as a force for positive change in the service of others.

SKILLS

- HTML, CSS, JavaScript & React.
- Responsive design & UI/UX Principles.
- Git Version Control System
- API Integration.
- Communication, Teamwork, Adaptability, Creativity.

EDUCATION

ZERO TO MASTERY ACADEMY

Certificate, Fullstack JavaScript

2018 - Present

DIMA COLLEGE

Diploma, International Freight Management

2011 - 2013

EXPERIENCE

VOLUNTEER, COMMUNICATION & DATA MANAGEMENT

Child-Help Kenya 2024 - Present

My role involves overseeing communication strategies and managing data assets effectively. I develop and execute communication plans to engage stakeholders, and I'm tasked with collecting, analyzing and interpreting data for informed decision-making and measuring the impact of our initiatives.

FINANCE & ADMINISTRATION MANAGER

SHAK Nairobi 2020 - 2023

Directed financial operations and administrative functions, encompassing overall reporting, budgeting and managing administrative processes.
